#### Anti-Money Laundering and Countering Financing of Terrorism Act 2009 (AML Act)

To help the New Zealand government fight the funding of terrorism and money laundering activities, the law requires all financial institutions to obtain, verify and record information that identifies each person who completes an application to Invest. MyFarm is required to comply with these regulations.

What does this mean for you? We may ask for a range of identity or address verification documents as well as written evidence of the individuals who have effective control or who benefit from the investment entity, including in some cases, evidence of the initial and subsequent funding of the entity. We may ask to see the originals of some of this documentation or require you to obtain copies "certified" by a professional we trust. Please contact: Compliance Manager (investments@myfarm.co.nz) or free phone 0800 693 276 to discuss any of these requirements.

#### **Bio-Verification of identity information**

Syndex Biometric Verification is MyFarm's primary tool to verify your identity This verification process is only available to NZ Passport or NZ Driver's Licence holders who reside in New Zealand. The Bio-verification process is done through an online link and is immediate, removing the need for certified documents.
